The Housing Opportunities Through the Modernization ACT (HOTMA) became effective January 1, 2024 with a grace period for implementation until January 1, 2025. Many Tax Credit programs have adopted HOTMA in 2024 as well as some HOME and Trust Fund. Rural Development will be adopting the allowance in late 2024. Most other programs will wait until 1/1/25 to comply. This one day class will discuss all the regulations that will continue, expire, and change under HOTMA.
